EpiDerm's Medical Barrier Cream is the ideal post-procedure care product, providing hydration for delicate, barrier-compromised skin to encourage faster recovery and better results. It is also ideal for very dry, scaly, and sensitive skin types. Medical Barrier Cream is best suited for skin that is resistant to sensitizers and preservatives found in standard moisturizers. 866-374-6623 or [epiderm.com](http://epiderm.com)

Advanced Protection SPF 30 by Exclusively Aesthetics has vitamins A, C, and E; Z-Cote; and UVA and UVB protection. It contains Japanese green tea extract, which is known for its anti-irritant properties and prevention of redness, rough skin, and peeling caused by sun-drenched skin; vitamin A, which helps to increase skin elasticity and normalize dry, parched skin; and vitamin E, which protects the skin from free radical damage. 954-464-9041 or [exclusivelyaesthetics.com](http://exclusivelyaesthetics.com)

GRATIAE's Silky Body Butter (Apple, Green Tea, and Ginger) is a silky body butter that is a rich, creamy, all-over body moisturizer that is formulated with natural and organic ingredients. It will transform dry skin into smooth and soft skin. The shea butter will hydrate the skin and form a protective shield against pollution and environmental hazards. It is easily absorbed into the skin as it conditions, softens, and prevents dryness. 855-360-0650 or [gratiea-usa.com](http://gratiea-usa.com)

Reboot Antioxidant Buff® Exfoliating Cleansing System by Make My Day Beautiful® simply and gently polishes skin to provide clean, bright, smooth, and firm skin and a more resilient glow, while discouraging ingrown hairs that may result from shaving. High-ranking polyphenols and antioxidant ingredients, when applied with the natural cellulose sponge, fight off free radicals while encouraging collagen production. It also provides aromatherapy benefits of berries, grapes, papaya, cocoa, and coffee bean. 209-772-3305 or [makemydaybeautiful.com](http://makemydaybeautiful.com)

glo Professional's Gentle Overnight Liquid Exfoliation is a 10% glycolic cream that is specifically designed to exfoliate the skin and treat sun damage, brown spots, dryness, and wrinkles overnight. This highly concentrated alpha hydroxy acid penetrates the skin's uppermost layers to loosen the "glue" that holds surface skin cells to each other, revealing fresher, healthier-looking skin. It deeply moisturizes the skin using vitamin E-enriched sweet almond oil while strengthening and protecting the skin with the antioxidant and anti-inflammatory benefits of green tea extract. 800-232-0398 or [gloprofessional.com](http://gloprofessional.com)
