GLO MINERAL SUN PROTECTION

SOLAR SHADE SPF 50

“Glo Therapeutics Solar Shade SPF 50 is a lightweight blend of natural, mineral sunscreens and added antioxidants that glides onto skin and absorbs quickly while providing broad spectrum protection to shield against sun damage.”

TINTED PRIMER SPF 30

“Glo has also introduced a new tinted primer with SPF 30 that works to conceal, correct and protect skin with all day coverage. Skin-conditioning silicones work together to fill in fine lines and blur pores for a flawless-looking complexion.”
