

The Official Publication of Aesthetics International Association

Agera Labs' **Deep Hydration Hand Cream** is a lightweight, fast-absorbing hand treatment enriched with three types of hyaluronic acid, delivering lasting hydration. It creates a protective moisture barrier, helps reduce the appearance of age spots, and reverses signs of dehydration. Deep Hydration Hand Cream effectively restores skin's youthful qualities and will help keep hands soft and smooth. Use daily for instant soothing hydration. 877-656-5188 or ageralabs.com

Give clients' skin a tropical quench of thirst with Bella Schneider Beauty's new **Cupuaçu Super Hydrating Oil**, which contains the nourishing and emollient butter of cupuaçu. BSB's Cupuaçu Super Hydrating Oil also blends jojoba oil, skin-strengthening fatty acids, and superfood vitamins to bolster skin immunity from environmental pollutants and free radicals. 888-200-3977 or bellaschneiderbeauty.com

brandMD Skin Care's **Rapid Growth Serum** is a rejuvenating complex designed to address temporary hair thinning caused by stress, fatigue, pregnancy, medication, or seasonal changes. The advanced formula supports the scalp's natural microcirculation to create healthy conditions for new hair growth. Doses of essential nourishment – peptides, vitamins, and proteins – also support keratin production, which help hair appear fuller, thicker, and more lustrous. 877-252-7546 or brandmdskincare.com

The **ECHO Plus Oxygen Treatment System** infuses mature skin with the healing power of oxygen at the cellular level. Combining real oxygen with 87 different vitamins, minerals, enzymes, and amino acids to regenerate collagen and elastin, the ECHO Plus Oxygen Treatment System is an effective oxygen facial which can be performed by professionals at salons, spas, and physician skin care offices worldwide. 800-592-3246 or echo2plus.com

Dr. Jeff Skin Care's **BioMVP Brightening Eye Crème** is formulated with licorice root meristematic cell culture extract, peptides, coenzyme q10, hyaluronic acid, and soothing botanicals. It helps to brighten the eye area and reduce signs of fatigue and fine lines, promoting a smooth, supple, and younger appearance. 888-316-3683 or dr-jeff.com

The Equipro's **Ultra Compact Column** is a fully customized, multifunction column. It comes with facial tissue holder, glove holders, an electric power bar, and a waste basket. It can carry four units (galvanic, rotary brushes, vacuum spray, and high frequency) or the Multiderm, which is a 4-in-1 machine. A tray can be added for accessories such as a mag lamp, a wood's lamp, a bowl sets, and a steamer. 877-324-2226 or equipro-bty.com

Glo Skin Beauty's **Oil Control Emulsion** offers ultra-lightweight hydration to help balance, purify, and mattify oily skin with a blend of humectants, antioxidants, and oil-absorbing agents for a shine-free complexion. Hyaluronic acid attracts and maintains up to 1,000 times its weight in water and helps prevent transepidermal water loss. 800-232-0398 or gloskinbeauty.com
