Here's the Tea – Green Tea!

Antioxidant filled and energy boosting, these green tea skin care products will have skin looking younger in no time!

ATZEN Superior to Organic Skin Care's **Balance Cleansing Milk** with green tea clears pores of pollution deposits and makeup. Use Balance Cleansing Milk on the face, neck, and neckline. It is safe to remove eye makeup with and does not burn the eyes. Eyelash extensions last weeks longer because it does not melt the glue. atzen.com

Gentle Makeup Remover by Glo Skin Beauty gently and effectively removes all traces of makeup. This non-oily formula has been allergy and clinically tested to be non-irritating for the delicate eye area. gloskinbeauty.com

Repêchage's **FUSION Matcha Lemongrass Face and Body Sugar Scrub** is a deep cleansing scrub that smooths and exfoliates with matcha green tea, lemongrass, aloe, a multi-fruit alpha hydroxy acid complex, and sustainably harvested seaweed extracts. repêchage.com

Green Tea Antioxidant Cleanser by Vivant Skin Care is a gentle, universal wash for all skin types that protects and repairs. It reduces redness, regulates sebum, spurs cellular repair, and promotes a supple texture and radiant tone. vivantskincare.com

DermAware Bio-Targeted Skin Care's **Pure C Glow Microgel Strong** is a concentrated, micronized, pure L-ascorbic acid (vitamin C) shown to stimulate collagen production and ensure maximum delivery for powerful results. Enhanced with green tea, multiple polyphenols, and idebenone, a super antioxidant, it maximizes ultraviolet damage protection, correction, and pigmentation control. dermaware.com

Green Tea Glycolic Peel by Dermastart Inc. Clear Choice/Prana SpaCeuticals is the perfect solution to accelerate healing without affecting the peeling process of the skin. The anti-inflammatory ingredient, green tea, alleviates redness, calms, and repairs the skin. This peel penetrates the skin as it lightens and brightens complexion. dermastart.com
